Public Service Training: Classifying Patron Questions

1. Go to www.edueto.com

2. Scroll down to the bottom of the home page and click on Student Sign Up

3. Enter your full name, enter aaf886 into the Group code box, check the box & click Sign Up

4. The next screen wants a nickname (first name and last initial is fine) and choose your own password. You might want to make it the same as your TCC password so it’s easy to remember.

5. The next screen will be pretty much blank, except for “My classes.” Click on the TCC Library Public Service Staff class, then click on Classifying Questions by Type to begin the short exercise.

6. Let me know (Jamie.holmes@tulsacc.edu) if you have any questions or problems. 😊
