Searching for courses with the Service-Learning Designation

1. Log into My TCC and click on "My Account"

2. Under the box labeled “Enrollment/Registration Tools”, click on “Look Up Classes by Subject and Enroll”

3. In the drop-down box, select the term you are searching for (Service-Learning designation starts Fall 2015)

4. Read the statement and click "I Agree" on the payment arrangement screen

5. On the "Look Up Classes" screen, click "Advanced Search"
6. To view all the available Service-Learning classes, highlight all the subjects. (Select “Accounting” and then press and hold the “Shift”, scroll to the bottom and highlight “Veterinary Technology”)

7. Next, under the box marked “Attribute Type” please scroll down and then select “Service-Learning”

8. Now hit “Section Search” and all the Service-Learning classes should be displayed

9. Service-Learning classes will show an attribute on the schedule that looks like this:

Questions for Discussion:

What different communities do you belong to?

What types of resources do those communities provide?

How do you contribute to communities? How do you contribute to the TCC community? How do you contribute to the Tulsa area community?

How can you better become involved in the TCC community?
